We are administering the Florida Assessment of Student Thinking (FAST).

This test is given three times a year to monitor the progress your child is making this school year.

<https://flfast.org/families.html>

This website shares more information about the test for families as well as practice questions.

The screenshot shows the top navigation bar with the Florida Department of Education logo, the FAST logo, and links for Assessment Programs, Users, and Resources. A search bar is also present. The main heading is 'Students & Families' with a sub-heading 'General information and resources about the Florida Assessment of Student Thinking (FAST)'. Below this is a breadcrumb trail 'Home > Students & Families'. The main content area is titled 'Prepare for the FAST' and includes the text: 'The FAST is administered to students in grades VPK-2 and 3-10. Select the appropriate card to the right to view sample test items for VPK-2 or to take a sample test for Grades 3-10.' There are two cards: 'View Sample Items for VPK-2' and 'Take a Sample Test for Grades 3-10'.

*K-2 results will be available in the Family Portal after the close of each PM window.

Please note the following:

- Headphones are required for Star Early Literacy and Star Mathematics.
- Students must be provided with blank scratch paper for all FAST Mathematics tests.

Session Lengths

All FAST assessments are administered in one session in one day, and it is recommended that students only take one subject test per day. Students may be assigned extended time if indicated on their Individual Education Plan (IEP) or Section 504 Plan. The Renaissance Learning platform allows for the following item time limits and average length of assessments without extended time:

Subject	Item Time Limit	Items per Test	Average Test Length
Star Early Literacy	150 seconds per item	27	10–20 minutes
Star Reading	120 seconds per item (first 10 items) 180 seconds per item (remaining skill items)	34	15–20 minutes
Star Math	4 minutes per item	34	20–30 minutes

Accommodations

The Star assessment platform allows for the following assistive tools and technologies for any student who requires them, per an Individual Educational Plan (IEP) or Section 504 Plan:

- Response Masking
- Color Contrast
- Font Size/Zoom
- Highlighter
- Line Reader

Test Administration Window

The next testing window is:

- PM3: April 14 - May 30
